Gross Rate Terms and Conditions

- **Avis's payment terms are strictly 30 days from statement date.**
- **Minimum charge of 2 days*****
- These rates are quoted in South African Rands.
- The rates are guaranteed at time of reservation, thereafter any modification will result in rate / price defaulting to current values.
- The minimum rental period is 1 (one) day. A rental day is calculated on a 24-hour cycle which starts from the time of pick-up. A grace period of twenty-nine (29) minutes will be allowed at return of vehicle. Should a vehicle be returned late, the renter will be charged for an additional day/s at the extension rate, which the renter will need to settle directly with Avis Rent a Car.
- Rates are only valid when pre-reserved and / or pre-paid to Avis Rent a Car.
- Please note that these rates do not qualify the renter for any Airline Frequent Flyer Programme benefits.
- The number of rental days reflected on the Avis reservation will be billed to the Tour Operator irrespective of whether the renter curtails the rental before the termination date. A cancellation fee equivalent to one (1) days rental charges will be levied on all refund applications. Refunds must be requested by the Tour Operator and a refund of the days not used will be paid by Avis to your Avis Central Billing Account. There are no cancellation fees if rentals are cancelled 24 hours before the rental date.
- Third party liability coverage is provided, **when Avis waivers are taken**, in respect of damage to property of third parties as a result of an incident involving the Renter during the rental period. The coverage is limited to R6,000,000 per incident. Refer to Clauses 10.4 and 12 – Third Party Insurance of the Terms and Conditions of rental.
- Rates will increase by the gazetted CPI at the time of rate renewal, unless agreed otherwise in writing.

Deposits due on Gross Rates

Please note that the deposits and any other extras the rate excludes may not be included in the voucher value. The customer should settle direct with Avis Rent a Car. The deposits will be collected at time of rental and can only be done by the customer tendering a recognised bank credit card or AVIS charge card. Debit cards are not accepted. Authorisation for the applicable amount will be obtained on the credit card at time of pick-up. When the customer returns the car and no charges are applicable, Avis Rent a Car will cancel the applicable authorisation. Any other charges will be levied on return of the vehicle.

Extensions on Gross Rates

Should the renter wish to extend his rental in excess of the voucher value, he will be responsible for settling the amount directly with Avis Rent a Car. The charge will be as per the agreed extension rate on the rental agreement and rate sheet.
